Introduction

I have found it very difficult to find Sunday school material that uses only the King James Bible. Most prepared lessons use verses from other versions that change., add, or delete words and complete sentences. These alterations change meanings of verses, and often change doctrines of Scripture.

To eliminate teaching contrary to what the Bible says, I have always prayed and asked the Lord to give me a lesson for my Sunday school classes. Preachers do this; why should Sunday school teachers not do this also? For over 35+ years, He has faithfully given me messages for my classes.

Although a teacher can make his own lessons, it is even more difficult to find material for the students to take home or complete in class. To solve this need, I have created my own newsletter ([The Bible View](http://www.OpenThouMineEyes.com) available for free at www.OpenThouMineEyes.com), puzzles, and coloring sheets.

This booklet has 53 verse coloring sheets, one for each week of the year (and one extra), that reinforce the learning of many of the most popular verses in the Bible. I am providing this for others that have also found themselves in the predicament that they could not find additional Sunday school resources to use in their classroom, in a homeschool or Christian school environment, or for their own benefit. Of course, only the King James Version is used.

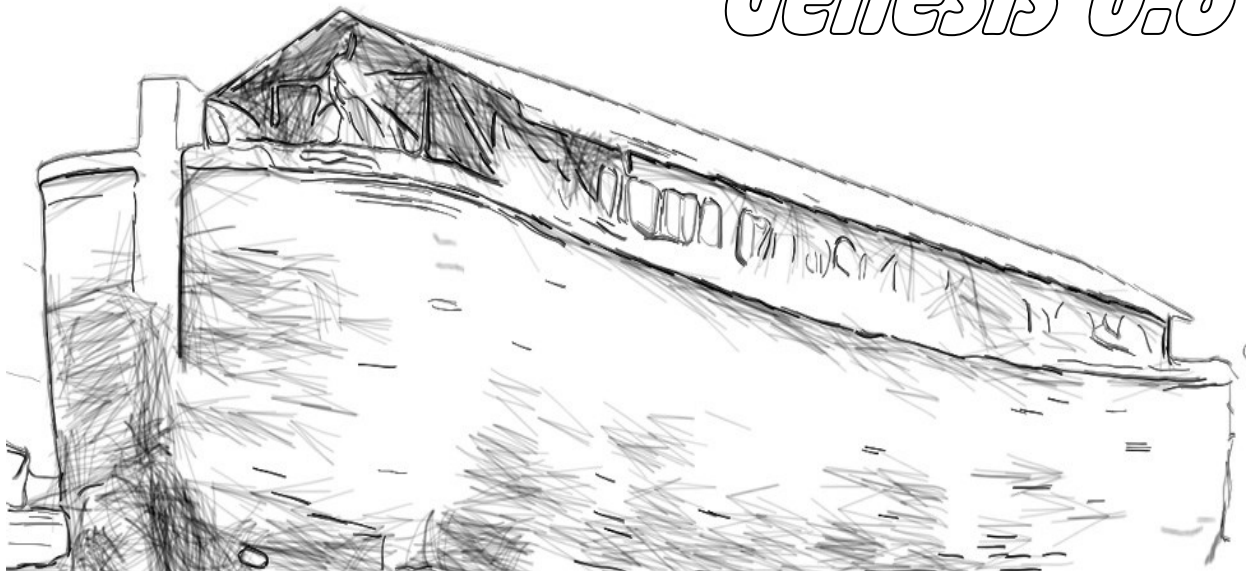

These color sheets were designed to be used by students older than second grade. Because of the complexity of much of the art work and size of the letters, **they should only be colored with colored pencils.**

With these verse coloring sheets (and with my other Sunday school material available at www.OpenThouMineEyes.com), it is not necessary to purchase one booklet per student. The original purchaser can purchase just one e-book (pdf format) and print as many pages as are needed on their computer's printer or on a copy machine.

I hope this e-book is a blessing to you and your students!
